 \$ Free - Children < 5

The Mission of the Oakland Aviation Museum is to:

- **Educate** about the role of historic North Field at Oakland International Airport, and aviation in the Bay Area
- **Celebrate** the history and technological achievements of aviation
- **Inspire** individuals by linking aviation's past to the future

Background:

The Oakland Aviation Museum was founded in 1981 as a non-profit organization under IRS Code 501 C (3). In 1988, the Museum was granted Stewardship of the historic Boeing School of Aeronautics hangar built in 1939, by the Port of Oakland. The hangar serves as the primary facility of the Museum, providing indoor and outdoor exhibition space, an education room, a *History Flicks* room, a research library and aircraft restoration work areas.

Tour the famous *Flying Boat* seen in *Raiders of the Lost Ark* on Saturdays and Sundays at 11,1, & 3.

Exhibits:

- **Short Solent Mark III Flying Boat** featured in *Raiders of the Lost Ark*
- Korean/Soviet **MIG 15**
- A large collection of Korean & Vietnam War era Navy jet aircraft
- Exhibit focus rooms include; African American Aviators, Women Aviators, WWII, Jimmy Doolittle, World Airways, Transocean Air Lines and hobby modelers
- Lockheed **Electra 10-A** similar to the one Amelia Earhart was flying when she disappeared over the Pacific Ocean after taking off at North Field in 1937

Lockheed
Electra 10-A

- A twelve seat *History Flicks* Movie Theater that shows historic aviation films and documentaries
- Extensive Collection of golden age and experimental aircraft
- Large collection of aviation engines, propellers, equipment and models
- An excellent research library is available by appointment
- Classroom space for school tours and birthday parties
- Rent the vintage Museum hangar for your next special event. Pricing is very affordable. The Museum can make recommendations about music, entertainment and even catering.
