## PARKING FEES

\$105.00 per Quarter. The entire current year is available for purchase in any quarterly combinations. No monthly parking permits are available but monthly payment options are available for individual quarter permits only. Monthly payment options must be set up as recurring payments.

Employee parking permits are quarterly permits with expiration dates of 3/31, 6/30, 9/30, 12/31. For example, if you purchase a 1st Qtr permit on February 5th, the cost is \$70.00 for February and March. However, if you purchase a 2<sup>nd</sup> Qtr permit on April 5<sup>th</sup>, the cost is \$105.00 (Apr, May, and Jun). The cost of the permit is based on the particular month of the quarter in which it was purchased. **Online options will display the entire permit price but will be prorated upon purchase.**

The 27<sup>th</sup> is the cutoff date for not charging during the current month . Parking decals being issued any day between the 27th and the end of the month will not be charged for that particular month. For example, if the issue date is July 27th, the cost for the 3rd Qtr permit would be \$70.00 (for Aug and Sep); no charge for the month of July.
