- Reminder: This webinar is being recorded
ITEM A: Introduction
(Colleen Liang, Port of Oakland)

ITEM B: Presentation/Overview of Terminal Modernization and Development Project (Bryant Francis, Port of Oakland)

ITEM C: California Environmental Quality Act (CEQA) Process (Dave Full, RS&H California)

ITEM D: Providing Comments on Scope of Environmental Impact Report (EIR)
Terminal Modernization and Development Project

Project Website

www.OaklandAirport.com/TerminalDevelopment
Overview of the Airport
• Terminal facilities have experienced congestion during busy periods and some have reached the end of their useful life.

• OAK has an obligation to fulfill its role in the regional aeronautical system.

• Now is the time to plan for the future to position OAK to better serve the residents of the East Bay and the traveling public.
Proposed Project Objectives

1. Modify airport facilities to maximize safety, efficiency, flexibility, and security for passengers and workers.

2. Provide a sufficient number of gates, terminal processing facilities, and other passenger service facilities to efficiently accommodate the existing and future passengers.

3. Provide aircraft gates, aircraft parking, and terminal facility space to accommodate the aircraft fleet forecast at the Airport.
Terminal Modernization and Development Project

Map showing the proposed project areas at OAK airport, including parking areas and the terminal area.

South Field

Ron Cownell Rd.
Overview of CEQA

Port is required to comply with California Environmental Quality Act (CEQA)

- Identify and disclose environmental impacts of a project
- Reduce environmental impacts to the extent feasible
- Relation to National Environmental Policy Act (NEPA)
Purpose of the CEQA Process

- Enhance public participation in the review process
- Encourage informed decisions
- Promote coordination between government agencies
- Identify ways to minimize or avoid the significant effects of a project

EIR Process

Start

1. Prepare/ Distribute Notice of Preparation (NOP)
2. Scoping
4. Public Review of Draft EIR
   - Prepare Responses to Comments Submitted by Public and Agencies
5. Prepare Final EIR Including Response to Comments
6. Certify Final EIR

WE ARE HERE
EIR Deliverables

- Prepare/ Distribute Notice of Preparation (NOP)
- Scoping
- Prepare Draft Environmental Impact Report (EIR)
- Public Review of Draft EIR
- Prepare Responses to Comments Submitted by Public and Agencies
- Prepare Final EIR Including Response to Comments
- Certify Final EIR

= Published Document

Terminal Modernization and Development Project

Providing Comments on EIR Scope

By 3pm on June 7, 2021:

- Electronic submission to Colleen Liang, Port Environmental Supervisor, at CLIANG@PortOakland.com
- Online form at www.OaklandAirport.com/TerminalDevelopment
- U.S. mail to:
  Port of Oakland
  Environmental Programs and Planning Division
  c/o Colleen Liang
  530 Water Street
  Oakland, California 94607
- Zoom Webinar
Providing Written Comments on EIR Scope at Zoom Webinar

• Written comments – Send a chat

• 1,000 character limit
Terminal Modernization and Development Project

- Use the “raise hand” function
- Use *9 to “raise hand” if you are on the phone
- When called to provide comments, unmute yourself
- State and spell your name – two-minute time limit
THANK YOU FOR PARTICIPATING

Comments due by 3:00pm, June 7, 2021

• Electronic submission to CLIANG@PortOakland.com

• Online form at www.OaklandAirport.com/TerminalDevelopment

• U.S. mail to:
  Port of Oakland
  Environmental Programs and Planning Division
  c/o Colleen Liang
